

Risk Disclosure – NatureChain Coin (NCC)

Last Updated: May 18, 2024

The use of **naturechain-coin.com** and the acquisition of **utility tokens (NCC)** involves certain risks. The aim of this risk disclosure is to inform users about potential risks associated with the **technical use** and **ecosystem-based use** of NCCs. By using naturechain-coin.com, you acknowledge and accept these risks.

General risks

Technology RiskOur platform is based on blockchain and smart contract technologies. Software bugs, infrastructure attacks, or outages can affect access or use.

Regulatory riskThe legal framework for utility tokens and crypto assets is subject to change. Changes may affect the use or availability of NCC.

Operational riskNatural events, political instability or force majeure may disrupt the operation and accessibility of our platform.

Use-specific risks

Functional valueNCC is a utility token. Its value derives solely from its usability within the NatureChain ecosystem (e.g., discounts, access to services, governance features). There is **no return or profit commitment**.

LiquidityNCC may not be tradable on markets at all times. Users should assume that NCC is primarily intended for internal functions in the ecosystem .

Despite

strong protective measures, unauthorized access, phishing or technical attacks can never be completely ruled out. Users are responsible for keeping their wallet data and private keys safe.

Internet dependencyThe use of NCC requires a stable Internet connection. Disruptions may affect the accessibility of the platform.

Legal risks

Regional RestrictionsUse of NCC may be restricted or prohibited in certain countries. Users must ensure that their participation is in accordance with local regulations.

Obligations of the UsersAll Users are responsible for complying with the applicable laws. Violations can result in legal consequences.

Disclaimer

- NCC is a **utility token according to MiCAR**.
- NCC **does not grant any rights to profits, dividends, repurchase or interest**.
- NCC is **not a financial instrument or an investment**.
- The information provided is for **general information purposes only** and does not constitute financial or legal advice.
